MAKE IN INDIA

Building Sustainable Future with Quality, Safety, and Innovation

The SIA Brand is dedicated to providing innovative and high-quality solutions to our customers, consistently delivered within agreed timeframes, with a strong emphasis on the safety of our employees and stakeholders. We are steadfast in our commitment to sustainability and continuous improvement, bringing our clients' visions to life.

Our Consortium

The SIA Brand comprises Kakaji Auto & Agro Private Limited, Prowess Engineering Fab Pvt. Ltd., and Shak Manufacturing Pvt. Ltd. We shine brightly as an end-to-end provider of products, services, and solutions for all Steel and Steel based Infrastructure and Agro needs. We offer turnkey solutions for industry development, architectural design, pre-engineered buildings, canopy structures, and civil engineering projects.

Mission:

We revolve around being a leader in the global infrastructure sector while maintaining a strong focus on sustainability.

Vision:

To contribute to the development of a stronger and more sustainable future for our planet.

Core Values:

Integrity

Responsibility
